

## **Largest skills' centre opens in Hedge End**

Nationwide training provider for mature career changers New Careers Skills has teamed up with Apprenticeship Training to open the largest private trade skills' training centre of its kind in the UK at Hedge End, Southampton.

Bringing new jobs and business to the area, as well as helping solve the current skills' shortage issue facing the South and the rest of the country, the new 10,000 sq ft centre provides plumbing and electrical courses and has the capacity to train 100 individuals at any one time.

New Career Skills chose Southampton due to its skilled work force, quality commercial premises and accessible communication routes. The live environment of the centre means that as trainees follow the course through theory and practical sessions they do it in the best environment. Training bays filled with fully functional basins, toilets, baths and showers all with running water provide the realistic training frames.
